**Our challenge is  
How to make things happen**

### Our Mission

We are Highly committed to deliver a range of quality assured Logistical services to our clients.

Our formula for success is to fulfill our customer's services, requirements and needs, with strong ethical values and a team spirit that rewards commitment & trust.

### Our Vision

We aim to be one among the top freight forwarding and logistics companies, to provide comprehensive services to the customers around the world through quality logistics solutions.

### Our Services :

- Door to Door Services.
- Freight Forwarding (Sea, Air & Land).
- Customs Clearance Services (Export, Import & Transit).
- Inland Transportation for General Cargo, Containers & project cargo.
- Packing & Crating Services.
- Int'l Marine & Cargo Surveyors.
- Approved Surveyors for Containers Inspection , hiring , selling & Repairing as per (IICL).
- On/Off hire condition survey.
- Consolidation, Personal Effects & LCL.
- Project cargo and chartering vessels.
- Insurance Coverage.

### Air Freight

We operate as a global provider of premium freight services : Air Freight, Air Cargo, Air Charter and JIT Delivery for the Time Critical Shipping Business.

### Sea Freight

We offer both FCL (Full- container load) and LCL (Less-than-container load) supported by service contract with major shipping lines ( UASC, MSC, Maersk, Kline, etc..) to assure less cost and ensure efficient handling of your cargoes by providing appropriate multimode and handling the related formalities.

### Inland Transportation Services

We own and operate an extensive fleet of trucks, trailers and other means of inland transportation that enable us to meet the increasing demand of local and international land transportation.

### Project Cargo

Experience counts! When it comes to managing complex transportation of oversized & heavy-lift project cargo.

### Warehousing & Packing Services

A covered space/shed where export cargo is received and import cargo stored / delivered; containers are stuffed / stripped or reworked; LCL exports are consolidated and import LCLs are unpacked; and cargo is physically examined by Customs.
